"A GROWING NEWSPAPER ☆ IN A GROWING COMMUNITY"

Volume 45, Number 48

CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA

Thursday, October 18, 1945

Jimmy England had a bad break in more than one way when he slipped and fell in the back of Field's store while crushing a carton. His arm will be in a sling for many a week.

Mel Genasci, who was fire chief for more than 20 years, was in town last weekend from Stockton to attend the annual Firemen's barbecue. He got a lot more excitement than he bargained for with the fire on Sunday night, but he said it was fun to just stand around and give advice.

Jack Faulkner, of the Blue Jay, was a popular man with the firemen when he sent hamburgers and coffee to them while they stood their watches over the smoldering trays.

Rumor has it that Fred Drew of the Drew Canning Company was on hand to call down the CIO girl who, according to him, deliberately misquoted him over the loudspeaker set up outside the cannery on Monday noon while she was urging the voters to vote for the CIO.

Friends of Mrs. W. H. Crothers are delighted to see her about again after her long illness.

Betty Grass, the Campbell girl who is serving as a Red Cross recreation worker in the Panama Canal zone, and whose picture appeared in this paper not long ago, had a narrow escape from death when she was rescued from a watery grave by two soldiers from the Harbor Defenses of Balboa on a Panama Coast Artillery Command outing at Gorgona Beach.

The folk dancing class at the high school is reputed to be lots of fun.

A lot of Campbell people have been attending the opera in San Francisco. We'd better scrutinize the pictures of the opening in the current Life magazine again for familiar faces.

To raise money toward the purchase of an electric score board, Campbell High students will present Kenneth Strickfaden of Santa Monica in the school auditorium, Thursday, October 25 at 8 p. m. Mr. Strickfaden will give "Startling Science Demonstrations", as a feature from the California Pacific International Exposition and the Canadian National Exhibition. Tickets are now being sold by the students for this event.

Mrs. J. Subdon had as her guests for a few days, Seaman 1/c Ralph Gannon, his wife and their two sons, Gary and Gordon. The young navy man was on furlough from Harrisburg, Pennsylvania, and brought his family here from Los Angeles.

The Highway Patrol is seeking a hit and run truck driver who struck one-year-old Stanley Cleveland near his home on San Tomas road last Monday evening. Roy Reynolds, a neighbor, brought the boy to the Santa Clara County hospital after the driver of the truck hesitated and then sped on down the highway. Although badly cut and bruised, the youngster is expected to recover.

Mr. and Mrs. J. William Fairchild returned to Campbell October 8 after a two weeks' trip through Oregon, Washington and British Columbia. They were accompanied by their niece, Miss Bernice Heacock of Glendale.

At the Tuesday Kiwanis meeting, Lieut. Commr. George Lofink of the Navy Material Redistribution and Disposal Administration at Irvington Depot addressed the group on the subject of "Surplus War Property Disbursements". Russ Lambert, Los Gatos Kiwanis Club, and Martin Allen, The Campbell Press, were visitors.

Next week's speaker will be John Wasson, manager of Sherman Clay in San Jose, whose subject will be "Development in Radio".

Campbell Legion Post Plans Coming Programs

Campbell Post American Legion mapped out an ambitious program for the coming months, highlighted by such events as an open house session for returning and returned veterans; an evening with Ernie Smith, sports broadcaster, which will be open to the public; potluck dinner at the October 24th meeting; public presentation of the Belgrano membership plaque.

Committees were named by Commander Wilbur Mitchell, to prepare plans for each event.

Congress was petitioned to spend for our own returning veterans a sum equal to those sent overseas for lend-lease and relief. This topic brought up another—that of the failure of our government to supply wheel chairs for double amputee veterans. The local post voted a contribution to a fund already established to purchase one chair for a veteran with both legs off. The auxiliary likewise contributed to this cause, giving nearly a hundred dollars. This amount will furnish one chair and go nearly half way on another. These chairs are purchased by a group comprised of the military hospital head, its chaplain, and Mrs. Beth Streck of Los Altos, who has already secured monies sufficient to buy some sixty odd chairs, and promises for even more to bring her score to a hundred. The local Kiwanis Club is already working on this project and will have a report within a short time.

Rights and services offered discharged veterans will be the topic of a meeting slated for the near future. It is hoped to hold this in the school auditorium, inviting parents as well as veterans to learn what his or her rights are under the so-called G. I. Bill of Rights. This is a Legion-sponsored bill and was passed only after years of study and preparation on the part of Legion officials.

Last Friday evening a dozen Cub Scouts of Den 2 held a wienie roast at the Blue ranch on Casey road. Cubmaster Ed. Dalzell and Dave Ribble accompanied the group. Cubs attending were: Herbert Enderton, Raymond Ames, Billy Weeks, Kenneth Stuckey, Hubert Vargas, David Ribble, Jack Applegarth, Danny Goodell, Jimmy Parks, Billy Blue, Glenn Blue, and Bobby Dalzell.

Mrs. Archie Keesling, who attended the American Red Cross conference in San Francisco October 9, 10 and 11, reports that the Red Cross is anxious that its workers continue to devote as much time and effort for the next year as they have done in the past. "Many people feel that since the war is over, there is no further need for Red Cross work," Mrs. Keesling said, "but there is a greater challenge than ever. Our work must go on, for San Jose's quota, including Campbell, is over 10,000 garments. We need more workers for our Wednesday afternoon meetings; we already have plenty of material for both knitting and sewing." Mrs. Keesling also said that the Red Cross is very grateful for the help that is being contributed by community groups.

According to the selective service headquarters at Los Gatos, Christian Camenisch, Campbell, is among those who have recently been released by the Navy.

Funeral services were held last Tuesday, October 16, in Santa Clara for George A. Carmichael, brother of Mrs. Melvina Snow, Campbell.

Pfc. William H. Morgan, 84 S. 2nd street, has recently received his discharge from the Army. He served in the European theater, going overseas in February, 1944.

Prune Trays Burn At Co-op Dryer

While members of the Campbell volunteer fire department met at the home of Jack Murdock on Budd avenue for their annual barbecue, fire of undetermined origin broke out in a stack of prune drying trays belonging to the Campbell Cooperative Dryer. Arriving in a body, the firemen attacked the blazing trays and saved the house next door to the trays, which was threatened by the fire, from any damage. Mrs. Mary Brown, occupant of the house on S. 1st street, was asleep at the time of the blaze and was awakened by passerby.

It was necessary for the fire fighters to remain on duty for several hours since smoldering bits of wood in the center of the racks were impossible to extinguish.

Damage was estimated at about \$1500 with between 1200 and 1500 trays ruined.

Bruce Gammon, a member of the fire department, lost a wallet containing \$50 and valuable papers while fighting the blaze.

New Sanitary Director Named

The board of directors of the Campbell Sanitary District have accepted the resignation of Dr. W. I. Merrill who is leaving Campbell next month to make his home in Southern California. Walter H. Stray was unanimously elected to the board for the remainder of Dr. Merrill's unexpired term which will end September, 1948.

Dr. Merrill who served as president of the board was the instigator of the entire county-wide plan for a sanitary system and the Campbell sewage system is the result of 20 years' steady work toward this project by the civic-minded doctor.

Other members of the board which meets the first Wednesday in each month are Ross Trowbridge, Ethan Lanphear, Herbert M. Shadle and Charles E. DeSelle.

Ada Rebekah Lodge convened Tuesday evening, October 16th, with Angela Quetin, Noble Grand, presiding.

During the business meeting initiation was held on the following candidates: Katherine W. Cole and Freda Bargas.

Frances Reid, past district president, was called on, and responded with a few inspiring words. Refreshments and a "wishing well" followed.

The next regular meeting will be November 6th. Initiation will be held, and first nomination of officers. Committee for the evening are Ruth Livingston, Eva Dahl, Gail Plymale, Edith Soutar and Flora Raab.

All Rebekahs are invited to attend.

St. Lucy's Women's Club will hold the first of its regular monthly card parties at the Parish Hall on October 26 at 2:15 p. m. Mrs. Fred Smith will be chairman, assisted by Mrs. Ira Grim and Mrs. Manuel Cabral. Refreshments will be served and the public is invited.

Pfc. Joseph Carvalho Jr., grandson of Mrs. Mary Carvalho, 54 Rincon avenue, has been released from the Army with a total of 91 discharge points.

Wheeler's Orchard City Creamery, I. W. Campbell, a bus stop for the Peerless Stages, beginning this week will act as an agent for the lines, selling tickets to any point the busses cover.

Due to a strike by the typographical union in Chicago The Campbell Press is unable to bring you Drew Pearson's "Washington Merry-Go-Round" this week. As soon as facilities are again available, we will resume this feature.

Little Family Holds Surprise Reunion In Campbell

A "once in a lifetime" reunion took place at the Bude Little home last week. Mr. and Mrs. Little were expecting Mr. Little's brother, Frank E. Little and his wife who were driving from Arkansas and stopping in Long Beach to bring Mr. Little's sister, Mrs. P. R. Keener, to Campbell also. The brother is a recently discharged chief petty officer whose ship was sunk at Pearl Harbor and who has since seen action in five major engagements in the Pacific and took part in the southern invasion of France. He was flown home from Okinawa and received his discharge at Camp Beale, October 4. His wife, of Imboden, Arkansas, served as a member of the Waves during his absence.

All went according to schedule—Mr. and Mrs. Frank E. Little with the Little's sister, Mrs. Keener, arrived at the expected time and the family sat down in the living room to talk. Suddenly Mrs. Keener glanced out the window and uttered an exclamation. The family ran to the window and there coming up the walk was another brother, A. W. Little, believed to be 5000 miles away. He had been flown home from the European theater and planned on surprising his brother, Bude, here, not knowing that his other brother was in this country. He, too, has also just received a discharge after serving as a technical sergeant in the Army.

The former sergeant will make his home in Hartford, Conn., where he plans on entering the electrical retail business. Mr. and Mrs. Frank E. Little will make their home in Long Beach.

Further reunions in the Little family are planned when two more brothers still overseas return.

At the regular meeting of the Campbell American Legion Auxiliary, Wednesday, October 10, \$65 was voted for the purchase of a completely equipped wheelchair for the use of a veteran at Oak Knoll hospital. This was made possible by the sale of poppies. In addition, \$25 was given the Kiwanis club toward their wheelchair purchasing. Money was also voted for community service and a donation made for the "Building Fund".

On October 24 the Auxiliary will be the guests of the American Legion at the I.O.O.F. Hall at 8 p. m. for the presentation of the bronze plaque. A potluck supper will be served at 6:30.

Under the leadership of Mrs. Leland Jones, plans for the Campbell Union High P.T.A. rummage sale to be held at the I. O. O. F. Hall, Thursday, Friday and Saturday, October 25, 26 and 27, are almost complete. Discarded articles may be brought to the school and further information may be had by calling Mrs. Jones at Campbell 2154. This annual sale has been held in San Jose previously.

The Almaden School P.T.A. group has invited the Campbell group to its October 24 meeting at 2:30; arrangements for transportation may be made through Mrs. E. Booker. Any member interested in parliamentary procedure may attend a class in San Jose at the Y. M. C. A. on Thursdays from 10 to 11:30.

At the regular meeting in November, the theme for the year, "The Home Establishes World Security", will be developed further.

Fifteen men turned out for the combined work night and dinner at the Congregational church Tuesday night and cleaned up the church yard. George Jeffers and Ken Robison were chefs for the dinner.

Miss Dorothy Staples of San Antonio, Texas, has arrived in Campbell to make her home with her sister, Mrs. T. C. Bowdoin.

12 Join Country Woman's Club

Twelve new members were added to the Country Woman's Club at the regular meeting on Monday afternoon at the Library. They are Mesdames R. C. Page, Ruth Ortman, J. B. Arends, Ross Trowbridge, Lawrence J. Osborne, Herman Busick, Harold Drummond, Gilbert Newcomb, Nelson Cowdery, William Lloyd, R. J. Flagg and Miss Ruby Anderson.

Mrs. W. J. Higginbotham, one of the members who is a teacher of ceramics, spoke on that subject, tracing the origin of articles made of clay and demonstrating three methods of clay modeling. Rev. L. J. Osborne, accompanied by Mrs. Lois Strayer, sang three groups of songs. In charge of the program arrangements was Mrs. S. L. Selig who was assisted by Mesdames Ray Wood, Georgene Kidward, Earl Booker, M. F. Hughes, J. B. Collins and H. J. Smith.

A committee consisting of Mesdames E. R. Kennedy, Edna Smith, Hattie Baugh, John Duncan and T. A. Cutting were appointed to draw up a resolution, which read as follows: "Whereas, our esteemed member, Augusta Cookson Merrill, is leaving our community to live in the south, and whereas she has been a member of our club for more than a quarter of a century, be it resolved: That the club desires to put on record its appreciation of those years of faithful membership, and of the outstanding musical programs which she has sponsored, and of the community service she has so unstintingly rendered."

The following club members served at the U.S.O. Hut in San Jose on Thursday, October 11th: Mesdames M. E. Carlson, R. G. Archibald, Ernest Barron, Hubert Wagner, W. C. Elkey, C. E. Hancock, D. W. Ribble, J. W. Dent, H. G. Brash, C. E. Fagalde, G. M. Leigh, Nellie Rutherford. Those serving on the sandwich making committee were: Mrs. Ray Wood, chairman, assisted by Mesdames H. F. Evans, Rex K. Fuller, L. E. Hendricks, J. R. Locke, Vernon Suess, A. D. Rice, M. S. Walsh and Miss Mary Fablinger.

Newcomers to the real estate business in Campbell are Mr. and Mrs. Alfred Conley who have purchased and remodeled a building at 191 W. Campbell avenue. The structure was formerly a filling station but is now a two-room office suite. Before coming to Campbell, the Conleys were engaged in selling real estate in San Mateo for several years.

They have bought a house on the Los Gatos-Santa Clara road and are now at home there.

In a closely-played, hard fought contest, the Campbell Buccaneers defeated the Fremont Indians last Friday in the second game of their football schedule with a score of 13 to 6. Fullback Dick Gouley made the deciding touchdown and conversion.

Mr. and Mrs. Carol Smith, Central avenue, entertained out of town guests at dinner last Sunday. They included Mr. and Mrs. Bruce Macy, Camarillo, and Mr. and Mrs. March Macy, San Bruno. Mr. Smith is superintendent at Campbell Products Company.

Campbell War Chest Lags In Third Week

At noon yesterday, the middle of the third week of the California War Chest drive, the total receipts for Campbell were \$1478.53. This is only 22 per cent of the total.

Herbert M. Shadle, chairman, asks all solicitors to cover their territory as soon as possible so that the drive can be completed by November 1. He says, "We have a very definite job to do and we should make every effort to finish it. If you haven't been contacted yet and desire to make a gift to this worthy cause please make payments direct to Mrs. H. F. Cousins at the Water Company office. We feel certain that everyone knows about this Community and War Fund drive. Let your conscience be your guide and 'give generously in victory'."

The Campbell Union High School is the first organization to make a 100 per cent contribution. This donation is from both the students and the faculty.

David McCulloch On Navy Ship

David McCulloch, seaman 1/c, son of Mr. and Mrs. Glenn Hutchison of San Jose, who attended high school in Campbell, is serving aboard the U.S.S. West Virginia, a veteran battleship which will participate in Navy Day ceremonies in San Francisco. He has been in the service 18 months and prior to entering the Navy, was employed at Permanente.

The West Virginia was sunk at Pearl Harbor, December 7, 1941, returning to the Pacific war at the start of the Philippine invasion, and steamed into Tokyo Bay in the naval force taking over the industrial area.

The West Virginia went safely through many months of campaigning in the Pacific, then suffered her first combat casualties on the day of the Okinawa invasion when she was struck by a Japanese suicide plane. A bomb the plane was carrying pierced two decks, but failed to explode. The ship has traveled 63,000 nautical miles in the past year, and has shot down eight enemy planes and assisted in the destruction of nine others.

Support The Chest!

Mrs. Monica Parr who had charge of Red Cross Blood Bank donating in this area reports that 799 pints of blood were donated from Campbell in the three years of her work. "This is a fine record and I am proud of what we in Campbell have done. We are all deeply grateful that there is no further need for this blood but glad that we did our part when it was necessary."

Regular drivers furnished by the Red Cross drove donors to and from the blood bank in San Jose and other volunteer workers stayed with small children here while their mothers visited the bank. Mrs. Parr was also responsible for arranging to get donors in from surrounding rural areas to meet the regular drivers here.

Late Saturday night or early Sunday morning the display window of the No. 7 Parker House on Campbell avenue was broken and five fifths and 3 pints of whiskey removed. Employees estimated the loss of the stock and window at about \$70.00.

At the last meeting of the local American Legion post it was resolved to dedicate that meeting to the memory of Lt. Warren Knoff, son of Mr. and Mrs. M. C. Knoff of Campbell, who lost his life while serving his country. Members stood in silent prayer at the close of the meeting, while the flag was lowered and taps sounded.

It was gay and heart-warming to witness the irrepressible response of the audience at the Tipica Revue Monday night in San Jose's Civic Auditorium. The revue featured some of Mexico's finest entertainers in rapid, splendidly brilliant singing and dancing. Some of the unusual numbers, particularly the fiesta dance which featured live fighting cocks and the popular hat dance, brought excited vocal tribute even from those members of the audience who did not hail from South of the Border.

Easily sensed beneath the gaiety was a nostalgic yearning for the well-loved, and the familiar, a universal emotion which intermingled with the tie already strong between the cast and the house.

This week's guest editorial is written by James W. Dent who is beginning his second year as principal of Campbell Union High School. He graduated and received his Master's degree from the University of California, and, before coming to Campbell, was vice-principal of the San Jose High School. He shares Campbell's pride in its schools and is a valuable addition to the community life here.

Joseph V. Gomes, president of the Campbell Chamber of Commerce, will write next week's guest editorial.

Guest Editorial

By JAMES W. DENT

We Americans are very proud of our system of free, public, universal education. In California we are especially proud of our beautiful school plants and our well trained corps of teachers.

Because of our own fortunate situation we are apt to become complacent and self satisfied, thereby failing to recognize that some of our sister states are not able to furnish the same educational opportunities to their children. According to the National Education Association there are at the present time somewhere between 2,000,000 and 5,000,000 children of school age who are not attending school.

Selective Service statistics indicate that 2,000,000 of the draftees rejected for military service fell below the 4th grade educational level. The 1940 census revealed that 10,000,000 of our population had received so little schooling that they must be classed as illiterates.

Why is it that some states are offering so much better educational programs than others? The answer lies largely in differences in financial ability to support an adequate program. Some states are wealthy and have relatively few children; some states are poor and have many children to educate.

Schools are still supported largely through local property taxes. Even in our state adjacent school districts may differ vastly in the taxable wealth per child. The solution to this problem will be found in increased state and federal aid to local school districts. California has already done a great deal to equalize educational opportunity through the use of state funds.

As United States citizens we should be aware of the nation-wide problem of equalization of opportunity for all. Our children should have the same chance for an education regardless of birth in rich or poor states.

Starting Sunday, October 21, and running through Tuesday, October 23, the Campbell Theater will show the famed "A Bell for Adano". The screen play was adapted from the Pulitzer prize novel of the same name by John Hersey which sold 495,000 copies with 34,000,000 readers.

This story, loosely referred to by some as a war story, is more concerned with a message of peace and understanding among men and nations. The "bell" is a symbol of a way of life, for it rang from the city hall tower with, as the people of Adano said, "a tone for everyone". The story of an American major's understanding of the meaning this bell had for all the inhabitants of the little town of Adano, his sincerity and patience in his undertaking, is beautifully and simply told.

John Hodiak, who has caught the feeling and mood of the author, gives a moving portrayal of this American who has been assigned the task of providing civil governments for the town. Gene Tierney plays the part of a girl who heightens his longing for home and family and peace.

Orchard City Grange will hold an initiation in the first and second degrees at its next meeting, October 23, in full form. The program will begin at 7:30 p. m.

At the last meeting, October 9, ladies of Orchard City Grange were hostesses in the afternoon to representatives of the County Home Economics department. At 6:30 all present enjoyed a potluck dinner. Mrs. Effie Spencer, county chairman, was honored guest. Mrs. Robert Lear, local chairman, was in charge of the dinner and the evening program.

Superior Judge Del Mutolo spoke to the Grange in the cause of afflicted service men. He suggested treating them as normal. The Rev. Arthur Brown, pastor of the Federated Church at Santa Clara, appeared in the role of a slight-of-hand performer.

Announcement was made of the State Grange convention, November 6 to 9, at Santa Cruz.

As a welcome home party for her husband, Mrs. Lowell Benson entertained with a formal dinner party last Saturday night at the Bensons' home, on Alice avenue. Among the friends included were Mr. and Mrs. Jack Murdock, Miss Junice Benson, Mr. and Mrs. Ethan Lanphear, Mr. and Mrs. Brice Whitmore, Mr. and Mrs. Walter Silberbauer, Mr. and Mrs. Gene Hodges, Mr. Mack Ross, Mr. and Mrs. LBen Howard, Mrs. Paul S. Becker, and Mr. and Mrs. Bud Levenberg.

"The Only Girl" Plays Nov. 2

Revivals of music comedies and operettas of the 20's have been the vogue on Broadway for the last two years, and the current production of Victor Herbert's "The Only Girl", now playing at the Biltmore Theater, promises to be one of the most popular. "The Only Girl" has a single performance in San Jose on Friday evening, November 2, just prior to the San Francisco opening on November 4. The Broadway cast of singers and dancers stars Christina Carroll, soprano "on loan" from the Metropolitan Opera Company. Cecil Jefferson Stewart conducts the orchestra.

Cossacks To Return Nov. 5

The Original Don Cossack Chorus, led by Serge Jaroff, returns to San Jose on Monday night, November 5, as the second event of the San Jose Concert Series. These giant Russians with their mighty voices make their annual way across the continent just as do opera and ballet, the only group of its sort to hold undiminished popularity over two decades. Opening their season at the Metropolitan Opera House, singing with the Philadelphia Symphony Orchestra,

THE DON COSSACKS

and at West Point, the Don Cossacks are now on their trek to the West Coast, arriving in San Jose on November 5.

Tickets for both events are on sale at the Denny-Watrous box office, San Jose Auditorium.

Fill Empty Sockets — Put in Right Size Bulbs for Easy Seeing

Tonight, look around at the lighting in your home. If a lamp or lighting fixture seems dim, look at the light globe. If it is darkened with age and use, it is not giving you the light you are paying for and will soon burn out. Then count the empty sockets and the small-size bulbs that were put in temporarily some time ago.

Make a list of the lamp bulbs needed to restore bright, new lighting throughout your home. Take this list with you when you go shopping. You will find the lamp bulb supply is now plentiful. Good lighting is inexpensive. Use plenty of it.

Living Room. Protect your family's eyesight. 150-watt bulb is right size for many reading lamps.

Kitchen. For that overhead light in the kitchen you need at least 150-watts. Be sure you get right size lamp bulbs.

Child's Study Lamp. Young eyes are too precious to risk. Better get a 150-watt bulb for your child's study lamp.
